

GO FASTER THAN EVER WITH INTERNET SPEEDS UP TO 1 GIG.

(may not be available in your area)

CenturyLink proudly brings your community
the best Internet technology available.

Welcome to your CenturyLink Connected Community.

THE FUTURE IS HERE. AND IT'S INCREDIBLY FAST.

The power of a fiber connection.

A fiber connection means so much more than just fast Internet. It's the power to connect every device you own, stream multiple HD movies at once and future-proof your home for whatever comes next. That's the power of living in a CenturyLink Connected Community.

The future is fiber-lit.

Whether at home, work or school, people are spending more time online. At CenturyLink, we're investing in expanding our fiber network to make sure our customers have the bandwidth they need to do more than ever.

Do more with a fiber connection.

Stream multiple HD movies at once

Upload huge files in seconds

Video chat without interruption

Play games online in real time

Connect every device in your home at the same time

Speeds up to 1 Gig

(may not be available in your area)

Up to 1 Gig is 40 times faster than today's basic broadband speeds.

The "40 times faster" Internet claim is based on the FCC's benchmark for broadband of 25 Mbps download and 3 Mbps upload, as noted in the FCC's 2015 Broadband Progress Report.
